

Dress Code

1. No spaghetti straps, halter tops, or strapless tops. T-shirts should not have the sleeves cut off.
2. Pants/shorts should not have writing on the seat- it just encourages people to look.
3. Keep your belly covered.
4. Clothing that has ``suggestive`` humor, inappropriate sayings, profanity, and/or alcohol or drug references will not be permitted.
5. Above all, clothing should reflect what good morals you have. Clothing that is appropriate to a Catholic setting will only help get you the respect you deserve.

The St. Stanislaus Parish Dress Code is requested for all parish youth events and activities, including, but not limited to:

- Parish School of Religion (PSR)
- Confirmation classes and retreat days
- Youth service opportunities
- Youth rallies
- Dances and other social parties

If any of the rules are confusing and you are not sure whether or not a piece of clothing will pass, remember this little rule:

“When in doubt, throw it out.”

Maybe not literally, but if you are unsure, it would probably be for the best if you picked something else.

A huge thank you,

Chelle Smith-Vandergriff
